WORK EXPERIENCE

- **SEO Intern** **jan. 2022 - may. 2022**
Searchmind
Here I worked with various SEO assignment for several different clients.
My tasks were, among other things, Structure extensions, SF Crawls, Keyword analyses, technical reports and reviews, title samples, prepare titles and META-descriptions and implementation of these and much more.
- **Sales Assistant** **sep. 2020 - may. 2022**
Shell Hadsten
At Shell I had a lot of responsibility. I opened and closed the store, and trained new employes. I was in charge of the store, serving customers and cooking food. I was often alone, but I was also responsible for the youth workers when they were at work.
- **Office trainee with specialization in administration** **sep. 2018 - aug. 2020**
Tradium
Here I was responsible for the basic course of the carpentry education 2. I did all the administrative work for this course, which consisted of three classes. I also helped with administrative tasks for the other educations. I also looked after the information and the phone and much more.
- **Service employéer** **mar. 2017 - jun. 2019**
Ok+ Ødum
At OK+ My tasks were to open and close the gas station, as well as serving customers. I also trained new employes and cooked and baked breakfast bread.

VOLUNTERING

- **Ju Jitsu Coasch** **mar. 2014 - Now**
HØST IF
I train the children's team every Tuesday, where I am responsible for the training and parts of the graduations. In addition, I am an assistant coach on the youth and adult teams twice a week and act as coach when our head coach is not there.
- **Gymnastics coach** **may. 2016 - sep. 2020**
HØST IF
I trained a children's team and a youth team every Wednesday. I was in charge of planning the training and was the receiver in jumping, which I have courses to do.

MORE ABOUT ME

I am 23 and i am very smiling and active person who likes sports. I practice Ju Jitsu (martial arts) twice a week and crossfit three to five times a week. When I'm not playing sports, I like to ride a motorcycle or play a game on the computer. Otherwise, I like to spend my time with my family and friends and relax.
